SPA MANAGER'S NOTE

Balinese women have used nature in their beauty routines for decades. The crushed dry leaves of the jackfruit served as a natural scrub, or a honey-tumeric-lime mixture provided them with an anti-aging cleanser. Simple recipe to do at home for glowing skin.

BODY

Experience renewal with our spa body scrub, designed to gently exfoliate and invigorate, leaving your skin refreshed and revitalized.

Body Wrap After Sun

Body Wrap Glow

60 min - 350

After massaging your upper body, our therapists will apply a mixture of papaya and honey to your skin, known for its anti-aging and radiant properties. Your skin will glow with a healthy shine, offering both radiance and relaxation.
